## Internship Application

Name:

Veterinary School:

Graduation Date:

Address:

Phone:

Email:

Dates of Externship at ECO:

Supervising Veterinarian(s) during externship:

Eligibility Status for Licensure in NY and Massachusetts:

Major areas of interest that you would like to have addressed during your internship:

Attach a picture (optional) This helps us keep former externs fresh in our minds during the intern selection procedure.

Long-term practice goals:

In 50 words or less describe why you are applying for this internship:

Required paperwork:

1. Curriculum vitae
2. Three letters of recommendation
3. Letter of Intent
4. Application form

All materials should be received at ECO before November 20.

While an externship is not required to apply for this internship, applicants that have visited the practice have an advantage.

The internship will be filled between November 20 and February 1. All applicants that have completed the requested paperwork will be notified by me
